

Privacy Policy

Last Updated: 22nd April 2022

Effective: 23rd April 2022

Introduction

By using any of ArtiomsHosting (“we”, “us”) services, including, the website, discord server, panel, and more, you (“client”, “you”, “your”) agree to the following policies regarding your privacy. We take privacy very seriously here at ArtiomsHosting, and would like to be transparent with you the best we can. Your personal data includes information such as: discord username & discriminator, email address, and passwords. These policies are intended to tell you what data we collect, what we use it for, why it is important, and how you can have it removed from our databases. We may disclose your information if required by law.

Storing of Information

All of the information we collect is stored securely in our databases, and certain information is hashed to prevent customer information from being leaked. Information regarding, and anything else related to tracking is stored in our databases. All of your information can be deleted per your request. Here is how we keep your personal data safe: Secure password hashing, zero-trust policies, etc. There is only one user that will have access to this information, which is we at ArtiomsHosting.

GDPR Regulations

At ArtiomsHosting, we would like you to know your GDPR (“General Data Protection Rights”) rights. Every user is entitled to the following: The right to access, The right to rectification, The right to erasure.

COPPA

ArtiomsHosting does not knowingly collect data of any person under the age of 13. Though, we may have data collected of users under 18 years of age. If you, or someone else, believe we have data of an unknowing minor, please reach out to us.

Communication

We strongly believe that you have the full right of all data removal. We may contact you directly from a third party service or provider, such as; discord, email, etc. in regards to your services. If you have any questions, inquiries, would like data removed, or any other reason, please reach out to us at artiomshosting@gmail.com, with the subject of whatever it is related.
